ERASMUS + PROJECT 2015-2018

**Gender stereotypes and vocational choices**  
*Stéréotypes de genre et orientation professionnelle*

**ARTISTIC PRACTICE (drama and dance) - part 2**  
**PRATIQUES ARTISTIQUES (théâtre et danse) - 2ème partie**

**METHODOLOGY 1**  
**A research about men and women inequality**

**Objectives :**

- Know how to use the library / documentation center catalogue.
- Select the (type of) document useful.
- Have an appropriate reading strategy.
- Find explicit informations.
- Remember the essential of a text.
- Be autonomous: organize, plan and anticipate the work to do.

**Instructions for final project work :**

*An actor and a choreographer are meeting. They want to create a work about the evolution and the present situation of men and women inequalities all over the world. First, they must do some research, then they must write a scenario which will be used for the final creation.*

## GROUNDWORK

<b>I anticipate the steps that will be necessary to produce the final work.</b>	<b>The knowledges that will be useful for this work.</b>	<b>My questions, my ideas.</b>

## METHODOLOGY 2

### A research about men and women inequality

#### ABILITIES

<b>What is the subject of my research ?</b>	.....	
<b>What types of ressources and tools can I find in the library ?</b>	.....	
<b>How to use a computer-based catalogue in a library ?</b>	1. Open a browser. 2. Go on the school platform. 3. Find the library catalogue. 4. Select « Searching »  5. Enter the key words for your research : ..... and .....  6. Select the relevant types of documents : .....	
<b>How to read a bibliographical note ?</b>	1. How many bibliographical notes I found ? .....  2. What relevant detail could be useful to find the document ?  - if it's a book : .....  - if it's amagazine : .....	
<b>What article of magazine could be useful for my research ?</b>	I choose one and I write his details to find it quickly : .....	
<b>What other document could be useful ?</b>	I choose a book or a website and I write his details : .....	
<b>How to read efficiently a document ?</b>	<b>Book</b>	<b>Magazine</b>
<b>What tool can I use to find quickly a page ?</b>		
<b>How can I find quickly the information I search on the page ?</b>
