

GLOBAL DESCRIPTIVE SCALE : TO INTEGRATE AND COOPERATE IN A GROUP

Performance level	What you should be able to do		
	To undertake and to complete a task	To assume roles and responsibilities	To cooperate and to compare
Very few developed RED	I partially respect the instructions.	I shows me unable to play a role to the end.	I have difficulty accepting different opinions from mine and i do not respect the objectives.
<i>Date</i> <i>Subject</i>			
Few developed (level 2) ORANGE	I partially respect the instructions. I am aware of the major stages of the project. The work is partially successful.	My role in the group is often the same. My decisions contribute little to the progress of the task.	I accept the opinion of others but takes little part in the decisions of the group.
<i>Date</i> <i>Subject</i>			
Acceptable YELLOW	I respect the instructions but I need helps to organize my work and find resources. I'm looking to finish the job. My production reveals some relevant elements.	I show myself capable of assuming a role defined by others.	I listen to the opinion of others but I find it hard to meet the objectives given by the group.
<i>Date</i> <i>Subject</i>			
Accomplished (level 3) PALE GREEN	I want to produce successful work and respects all the instructions provided. I operate if necessary resources at disposal.	I regularly change roles in the group to vary the nature of the work to provide (rapporteur, Editor, "intelligent parrot", Chief of work). I correctly assume each role.	I listen and take into account the opinion of others to find a solution. I follow the objectives given by the Group on a given job.
<i>Date</i> <i>Subject</i>			
Remarquable GREEN	I am trying to finalize work in the time allotted. I explore different tracks of resolution in a complex task. I am proof of relevance, inventiveness in my steps and my productions.	I adapte the role played within the class or group to the novelty of the situation.	I listen and take into account the opinion of others to find a solution. I am able to adapt the stages of the realization to the difficulties encountered.
<i>Date</i> <i>Subject</i>			
Expert GREEN + E	I am proof of relevance, inventiveness in my steps and my productions. I mobilize external resources adapted to the situation. I fixe the targets on a given work group.	I adapte the role played within the class or group to the novelty of the situation. I assume it perfectly.	I listen and take into account the opinion of others to find a solution. I am able to adapt the stages of the realization to the difficulties encountered.
