After visiting companies, the pupils write their reports together

This morning we visited a company called Carraro Group s.p.a. The director's name is Enrico Carraro, but in the past it was Mario Carraro. The company was created in 1932 and it's situated in Campodarzego in 37, Olmo Street. The company was born in Padova. They work with construction equipment, renewable energy, agricultural equipment. They produce the parts of tractors and drivelines. The customers are companies from India, China, Brazil, Russia, Argentina and USA. In all factories of the company work about 3 000 people. In Italy ^{in Campodarzego} work 609 people - 84% are men and 16% are women. The sectors are white collar with 253 people - 66% are men and 34% are women, ~~with~~ and blue collar with 356 people - 97% are men and 3% are women. The professions in this company are: engineers, manager, secretary, commercial office. The men's professions ~~is~~ ^{is}: assembly the parts of tractors. The women's professions ~~is~~ ^{is}: preparing the cabins of tractors. After the presentation we saw ~~the~~ ^{the} inside of the factory: there are 3 parts - production, assemblance and painting.
